2021 MINNESOTA CLIMATE ADAPTATION AWARDS

NOMINATIONS ARE NOW OPEN

The Minnesota Climate Adaptation Awards, presented by the Minnesota Climate Adaptation Partnership (MCAP), celebrate exceptional achievements in leadership, education, research, policies, and practices that improve resilience through the development, advancement, or implementation of climate adaptation strategies.

AWARD CATEGORIES

INDIVIDUAL: Any individual who offered significant leadership, provided education, developed or implemented strategies, conducted research, or otherwise made an impact in the field of climate adaptation in Minnesota. Contributions of emerging or established leaders should demonstrate advancement of climate adaptation, with depth in one focus area or across a breadth of audiences or disciplines.

ORGANIZATION: Any non-profit, team, community of faith, youth group, neighborhood association, local government unit, state or federal agency, tribal national, educational institution, or similar entity that has achieved significant progress or implemented practices or projects that advance climate adaptation in Minnesota.

BUSINESS: Any private sector, for-profit business or company that has implemented significant practices, programs, projects, or policies to advance climate adaptation in Minnesota.

PARTNERSHIP: Any collection of individuals, organizations or businesses that have collectively worked together to achieve significant progress in climate adaptation or have implemented practices or projects that advance climate adaptation in Minnesota.

HOW TO NOMINATE

Complete the online nomination form at: https://www.wrc.umn.edu/news-events/climateadaptationconference

Nominations should describe how the nominee’s work relates to climate adaptation, the scope and longevity of the activities, key accomplishments, incorporation of climate justice, and contact information for two references who can speak about the nominee’s accomplishments. Self-nominations accepted.

Award recipients will be notified in late November 2020 and presented with honors at the 2021 Climate Adaptation Partnership Conference.

NOMINATION DEADLINE: October 16, 2020
