USGS National Competitive Grants Program
Notice of Intent Instructions
NOIs due June 2, 2021

Minnesota applicants are required to submit a Notice of Intent (NOI) to the WRC. NOIs should be submitted via zumn.edu/FY22USGS with the following information:

- Name, affiliation, and contact information of the Principal Investigator (PI) and the pre-awards professional assisting the PI
- Names and affiliations of co-Principal Investigators (may be changed in the final proposal)
- Approximate budget amount (total federal funds requested; may be changed in the final proposal)
- Brief description of the proposed project (1-2 paragraphs), tentative title, and 4-5 keywords
- Do you anticipate the project involving subcontracts? (may be changed in the final proposal)
- Do you anticipate requesting a WRS Graduate Research Assistantship Supplement? (yes/no)
- If requesting a WRS Graduate Research Assistantship Supplement:
  - Will the student be a newly enrolled student to the WRS program?
  - Which WRC Strategic Plan area best describes the research you expect the student to conduct?
  - Briefly describe how connection to the WRC might benefit the student's program.
  - Brief description of the expected role(s) of WRS the student and the WRS faculty member(s) supervising the student.
  - Please describe the funding you have available to support the student for the remaining year(s) of their studies in the WRS program.

NOIs must be submitted online by end of day June 2, 2021.
